Text : Leaving Conakry

Ibrahim will leave Conakry next week. He has been there for three months now. He went there on July 2nd. Ibrahim has spent a wonderful time in Conakry. He has made many friends and has seen a big city and the sea for the first time. Ibrahim is not going to return by plane. He is going to visit Sierra Leone, Liberia, and Cote d'Ivoire. He will probably take the bus because the plane is too expensive and he will not see the villages and the countryside.

From Abidjan Ibrahim can go back to Bamako by bus.
