

Test: leaving Dakar

Seydou is going to leave Dakar soon. He has been in Dakar for five weeks now. He got there on July 2nd and today's August the 6th.

Seydou has had a wonderful time in Dakar. He has made many friends and he has seen a big city and the ocean for the first time. Seydou is not going to return to Bamako by train. He is going to visit Guinea, Sierra Leone, Liberia and Ivory Coast. He'll probably take the bus because the plane is too expensive and he won't see the villages and the countryside. From Abidjan, Seydou can go to Bamako by car.
