SCOTLAND

TUESDAY, July 8th

Dear Bola,

I'm sorry I haven't written to you much this year, but I've had to work very hard, because this is my last year here. I haven't had time to write letters. We've already taken all our exams, but we haven't had the results yet. We took our exams in June. Since then I've been on holiday with a student from Ghana. A few days ago, we both hitch-hiked to York. We met an old friend there who gave us a lift to Edinburgh.

Questions:

1. Who was a student at London University?
2. Whom did he write a letter to?
3. Has Dramane written Bola a lot of letters this year?
4. Why has Dramane had to work very hard?
5. When did they take their exams?
6. With whom has he been on holiday since June?
7. Where did they meet an old friend?

THEME:

Dramane a été en Angleterre pour étudier. Il a déjà fait tous ses examens, mais il n'a pas encore les résultats.

Depuis juin, il est en congé avec son ami Ghanéen. Ils ont visité Edinburgh ensemble.
