

Lesson plan

Learning unit 2

Function: Asking for and giving advice.

Conduct of the lesson

Situation-problem: Adama has got 4 million in the lottery. He asks his friend Boubacar for advice. What can Adama say? What can Boubacar reply?

Activity 1: instruction: in pair group what are the sentences/expressions used to ask advice upon someone? (5mns)

Partial synthesis: to ask advice to someone in a situation, we can use those positive expressions/sentences:

1. What do you advise me to do?
2. Do you think I ought to?
3. What would you do if you were me?
4. what would you do (in my position)

Activity2: instruction: in pair group, what are the expressions used to give advice to someone? (5mns)

Partial synthesis: To give advice to someone in a situation, we can use these expressions/sentences:

1. I advise you (not) to
2. If I were you, I would...../wouldn't/ not
3. You'd/ you had better (not)/

Situation: instruction: what advice can you give to this situation? What can you say in this situation?

1. To win four(4) millions in a lottery game
- a.
- b.

Evaluation1: Oumou wants to get divorced because her husband doesn't have enough money to satisfy her luxury needs. She asks her friend, Sali for advice. What can Oumou say? And what can Sali reply?

Evaluation 2: Dramane's daughter doesn't learn her lessons at all. She often spends her time watching serials. Dramane goes to see his cousin to ask him for advice. Build a short dialogue between Dra and his neighbor.

Evaluation 3: One of your brothers wants to give up school and goes abroad to look for money. Advise him/her to discourage him or her. Give two (2) different ways.

- a.
- b.
